

MS WORD: TABLE PROJECT

File Name: Table Project

- You are to create an original MS Word document which employs a table in some form.
 - Page setup is at your discretion, but should compliment whatever project you decide on.
-

Project Suggestions: (These are just suggestions; you may develop your own idea.)

- Monthly calendar
 - Times Table
 - Sudoku
 - Crossword Puzzle
 - Maze Game
-

Your table must demonstrate proficiency with the following table attributes and skills:

- Merging cells
 - Cell borders (a variety of line styles, colors and widths)
 - Shading (at least two colors)
 - Multiple cell alignments
-

Your project should also demonstrate an understanding and proficiency with:

- Table Properties
 - Table Position
-

Optional Components:

Where appropriate, you should also enhance your project using your knowledge of Graphics in MS Word. You may employ any number of graphic objects to add to the overall presentation of your project.
