

## Dear Parent or Guardian,

I am proud to offer the 2012-2013 School Report Card. It shows useful information about each LAUSD school. We improved this year's report card based on parent comments. The result is a more parent-friendly booklet. We have even added a table of contents so you can quickly find what most interests you.

The School Report Card shows how well our students performed on state tests and if schools have shown growth. It shows how students, parents and staff feel about their school environment. It also has resources you can use to stay informed and involved in your school and district community. This booklet has facts from many sources. It helps us to direct our attention, efforts, and celebrations. Take the School Report Card to your student's school to discuss with other parents, guardians, and school staff. Please ask questions and make suggestions. You are our partner in the very important work that your school does with our students.

## LOS ANGELES CENTER FOR ENRICHED STUDIES MAGGNT

The Academic Performance Index (API) is a score California gives each school based on student test scores. 200 is the lowest possible score. 800 is the target API score; 1000 is the maximum.

## STANDARDIZED Test Performance

## - Are students meeting California standards in English

 language arts and math?Students in grades 2-11 are tested annually to assess their achievement of state content standards. California Standards Test (CST) scores fall into 1 of 5 performance levels. The state's goal is for all students to score proficient or advanced, the top 2 performance levels.

| Students scoring at the proficient or advanced <br> performance level in... | $2011-12$ | $2012-13$ | LAUSD <br> Average |

Enrolled and passing with a "C" or better

## 

178 out of 240 students

Research shows students passing algebra by $8^{\text {th }}$ grade have a much better chance of success in high school and beyond.

## GROWTH

## How much Academic Growth over Time (AGT) did the school make on standardized tests?

Academic Growth over Time or AGT helps us see how student test performance changes from year to year. Another term for AGT is 'Value added.' AGT predictions are made by looking at students'test scores from the previous year, as well as outside factors like race, class, and EL status. We can calculate a score that tells us the value added by the school. A positive AGT means better than or above predicted. A negative AGT means worse than or below predicted.

The table below provides grade-level AGT results for English language arts (ELA) and math for the 2012-13 school year. The results represent an up-to-3-year average (2010-2013).

## The School Performance Framework

The School Performance Framework is used to assign school classifications using both status and growth-related measures. Status is based on achievement test performance, and on student absences and suspensions. Growth is based on the Academic Growth over Time scores (see Growth section above).
Please visit the School Performance Framework to learn more about how the SPF works and each school's performance classification:

## STUDENT <br> Performance of different groups

Who are the students at this school?
Total number of students enrolled: 1,648

- Percentage of students enrolled who are...

| African American | 15\% | Gifted and talented | 60\% |
| :---: | :---: | :---: | :---: |
| American Indian | 1\% | Students with disabilities | 4\% |
| Asian | 25\% | English learners | 1\% |

| Latino | 29\% | English proficient | 30\% |
| Pacific Islander | 0\% | Economically disadvantaged | 50\% |
| White | 28\% |  |  |

What percentage of students is scoring proficient or advanced across student groups?*

*Student performance is determined by AYP criteria (CST, CMA and CAPA)

## English learners and reclassification

English learners must achieve 3 goals to be reclassified as fluent English proficient (RFEP): 1. Score proficient on the California English Language Development Test (CELDT) 2. Show basic skills on the California Standards Test (CST)ELA 3. Be recommended by the school by passing English courses with a " $C$ " or better.

# SAFE SCHOOL inspection performance 

The LAUSD Office of Environmental Health and Safety conducts regular inspections to ensure that school sites are meeting requirements. The inspection also identifies potential health, safety, and environmental risks. After the inspection, each school is given a rating, which indicates to the degree to which the site meets standards.

## GETinvolved

## What you can do as a parent...

As a parent, you play a large role in your child's success in school. Aside from teachers and counselors, the school principal is someone every parent can talk to at the school. Many schools also have a parent center with additional resources for parents.
The principal of this school: Harold Boger
The school phone number: $\quad 323-549-5900$

Also take advantage of LAUSD's support through our local Educational Service Centers (ESC) and our Parent and Community Engagement (PACE) Center Teams.
Your PACE administrator is: Sara Lasnover
Your PACE administrator's phone number is: 310-914-2100

## Get more involved...
