Los Angeles Unified School District School Goals for Parent Engagement

The *Parents as Equal Partners in the Education of their Children* Resolution, adopted by the Board of Education in December of 2010, led to a series of recommendations for implementation at school sites. The Task Force on *Parents as Equal Partners* stated that “meaningful parent engagement is when schools see parents as equal partners in promoting student achievement and recognize parents’ talents and skills as resources to promote children’s educational development.” A review of decades of research conducted in support of this resolution indicates that when parents are involved, students have the following:

- ✓ Higher grades, test scores, and graduation rates
- ✓ Better school attendance
- ✓ Increased motivation and better self-esteem
- ✓ Lower rates of suspension
- ✓ Decreased use of drugs and alcohol
- ✓ Fewer instances of violent behavior

In addition, through authentic partnerships with parents, schools gain the following:

- ✓ Improved teacher morale
- ✓ Higher ratings of teachers by parents
- ✓ More support from families
- ✓ Higher student achievement
- ✓ A better reputation in the community

Goals for parent engagement are aligned to the mandates of No Child Left Behind (2001), the Parent as Equal Partners Task Force Recommendations (2011), and the California Department of Education Family Engagement Framework (2011).
